The CSU General Education (GE)-Breadth is a series of courses that California Community College (CCC) students may complete to satisfy the lower-division general education/breadth requirements before transferring to the California State University (CSU). CCC can certify completion of CSU GE-Breadth. **A course can only be certified if it was approved for CSU GE Breadth when it was taken. Courses on this list are approved for academic year 2024-2025.** For a complete listing of courses, their approval dates, and transfer credit limitations, visit **ASSIST.org**. Upon enrolling in final course requirements and receiving conditional admission to the university, students must submit a request for certification to the De Anza College Admissions and Records Office. The General Education Certification Request Form is available online at deanza.edu/admissions/forms.html. For CSU transfer information, go to: calstate.edu/apply/transfer.
