Midterms:

There will be four midterms. I will automatically drop the lowest scored midterm (not the final). If you have work conflicts, athletics, etc., you must make alternative arrangements at least two weeks prior to the scheduled exam date to allow for preparation of another exam. I will determine whether or not a legitimate conflict exists. Other exams, papers, or social events are not considered conflicts. You are expected to manage your time. **A PICTURE ID IS REQUIRED FOR ALL EXAMS.**

Final Exam:

This is a comprehensive exam covering all nine chapters we have studied this quarter. It is not an optional exam and must be taken at the scheduled time.

Other:

Quizzes - 40 points

In-class quizzes will be closed book and closed notes. There will be no makeup for missed quizzes. The quizzes will range in value from 8 to 10 points. You will have the ability to accumulate approximately 90 points, however only a maximum of 40 will be counted toward your grade. Therefore, even if you miss a quiz, you will still have an opportunity to receive the full 40 points.

Quizzes – Extra Credit

The on-line quizzes assigned the same day the new chapter is assigned to be read are Extra Credit. There will be 9 such Extra Credit quizzes each worth 5 points for a total of 45 possible extra credit points, however the maximum allowed will be 40 points.

Homework – 40 points

Homework will be both on-line and manually done. On-line homework will be graded by Cengage Now and will be worth 5 homework points. No points will be given for late on-line homework. Manual homework will be accepted only when collected in class and **MUST BE A MACHINE MADE COPY** of your original work. Both on-line and manual homework are worth 5 points each up to a maximum 40 points. There will be no credit for partially completed homework. Again, there will be more than 40 points available, to make your total of 40 points.

Budget Project – 60 points

This is a group project wherein you and a group will be asked to create a company budget based on certain given information. This grade will be based on the accuracy of your budget **and** on your cooperation within the group.

Academic Integrity:

Don't use anyone else's work for any reason. You and the person from whom you copied will receive a '0' in the project. Repeat offenders will receive an 'F' in the class.
