- All attempts will be made to match the clients chosen Pantone colors as close as possible although an exact match is not guaranteed.
- The colors you see on your computer screen or print on your office printer are close to but will not be an exact match to the final colors produced through formal fabrication processes.
- This proof must be reviewed carefully, signed, dated, and faxed or emailed back to Signs Unlimited as your official authorization before production can begin.

I have verified the accuracy of all graphics shown with respect to sizes, colors and content. The specifications are correct and represent our order requirements exactly.

I also agree to pay the applicable design charges accrued so far. I authorize release to production according to this approved submitted.
