EAC Vacancies

M. Hernandez is trying to get representatives from the administration. Need classified 1 representative and 1 faculty representative. Please go back to your senates and share

with them that we need one more person. For faculty perks like the Professional Responsibilities, it counts for 6 points.

Need to do more visibility of EAC.

Leadership Request

We need an EAC representative for RAPP which has a 2-year term and will be meeting on Mondays at 10am-11:30am. Another representative for College Council is needed, and they meet on the last Thursday of the month at 3:30-5pm. M. Hernandez prefers to have two different representatives, one for RAPP and one for College Council. RAPP will be looking at 4 different forms for comprehensive program review.

2026-2027 Planning

Our first meeting will be Wed. September 30th, 2026 at 2:30-4:30pm and will serve as an onboarding space and will discuss our charge. We will brainstorm goals and opportunities; priorities related to the strategic plan. We will also start planning the Equity Retreat for the Winter quarter 2027. The format will need to be Hybrid.
