Subject: NURS81 Retention Rates – 2012 to 2017

This report provides retention rates for nursing students who registered in NURS81 between 2012-13 and 2016-17. Retention rates for each cohort are based on the successful completion of NURS86 at any time.

NURS 81 Retention Rates:

Students who registered in NURS81 during the 2014-15 academic year had the highest rate of NURS86 completion (77%).

Cohort	NURS 81 Students	Completed NURS 86	Retention Rate
2012-13	69	52	75%
2013-14	72	52	72%
2014-15	69	53	77%
2015-16	53	40	75%
2016-17	60	14	23%

Two-Year Retention Rates:

Students who registered in NURS81 during fall 2015 had the highest rate of NURS86 completion in two years (85%).

Cohort	Fall NURS 81 Students	Completed NURS 86 in Two Years	Retention Rate
Fall 2012	23	15	65%
Fall 2013	24	15	63%
Fall 2014	24	14	58%
Fall 2015	20	17	85%
Fall 2016	20	14	70%
